Property Setbacks	New detached ADUs: 10 ft front / 15 ft rear / 5 ft side in the SR-1 and SR-2 zones, per LUC 20.20.538 — a detached ADU may sit on the lot line that abuts an alley. Attached ADUs match the main house. A structure converted into an ADU does not have to meet today's setback or lot coverage rules at all.
