■ Pueblo ADU — Step-by-Step Project Checklist

- Verify zoning compliance — confirm your lot is zoned for ADU use
- Check the official zoning map at: <https://www.pueblo.us/gis>
- Measure lot size, setbacks, and height limits against your design
- Prepare a preliminary site plan (property lines, building locations, setbacks)
- Draft floor plan showing ADU layout (bedroom, kitchen, bathroom)
- Complete the building permit application — available at: <https://www.pueblo.us/permits>
- Gather required documents: site plan, floor plan, elevations, proof of ownership
- Submit complete application package to the Planning Department in person or online
- Pay plan check fee and building permit fee
- Wait for plan review (typically 4-8 weeks — respond to correction notices promptly)
- Schedule required inspections: foundation, framing, electrical, plumbing, final
- Obtain Certificate of Occupancy once all inspections pass

■ *Tip: Schedule a pre-application meeting with the Pueblo Planning Department early in your process — they can identify issues before you spend time and money on detailed plans.*
